The Honorable Richard G. Lugar  
Chairman  
Committee on Foreign Relations  
United States Senate  
Washington, D.C. 20510

Dear Senator Lugar:

This is a partial response to your letter of 12 June 1986 requesting the Central Intelligence Agency review four classified transcripts for possible release by your Committee.

Determinations on three transcripts are noted below. The fourth transcript will be transmitted when review is complete.

--Transcript dated 16 January 1963. CIA has no objection to its release in full.

--Transcript dated 25 January 1963. CIA concurs with State Department's recommendation that the portion bracketed in red on page 75 be exised. If this is done we have no objection to the release of the document.

--Transcript dated 16 August 1963. This document must be withheld in toto since sanitization would be so extensive as to render it meaningless. The material is dated, but still contains sensitive information

Sincerely,

**SIGNED**
